

RED LINE IS THE CUT LINE

The diagram shows a large oval shape with a black outer border. Inside this border, there are two concentric lines: a red line and a blue line. The red line is closer to the black border, and the blue line is further inward. Two arrows point from the red line towards the center of the oval, and one long arrow points from the blue line across the width of the oval.

THIS IS WHERE THE FINISHED
PRODUCT WILL BE CUT

BLUE LINE IS THE SAFETY LINE

ANYTHING THAT IS NOT GETTING CUT
MUST BE INSIDE THIS BLUE LINE

FINISHED SIZE - 5x8 OVAL
(5.125x8.125 WITH BLEED)
